^{vii} Such a claim is not subject to "cramdown" and will be paid the full balance owing. If the collateral is a motor vehicle and is destroyed, the Debtor(s), with consent from the secured creditor and Trustee, or by order of the Court, may use the collateral insurance proceeds to purchase replacement collateral, to which the creditor's lien shall attach.

^{viii} If the collateral is a motor vehicle and is destroyed, the Debtor(s), with consent from the secured creditor and Trustee or by order of the Court, may use the collateral insurance proceeds to purchase replacement collateral, to which the creditor's lien shall attach.

^{ix} If the creditor files a proof of claim with a balance owing which is different from the amount listed above, the proof of claim shall control as to the amount of the debt, unless a party in interest objects to the proof of claim.

^x The amount stated is an estimate only and the proof of claim controls as to the amount of the claim. This provision does not preclude any party in interest from filing an objection to the claim.

^{xi} The interest rate on tax claims that is in effect during the calendar month in which the plan is confirmed shall control. 11 U.S.C. § 511(b). The Trustee has the authority to make adjustments to its records to comply with the Bankruptcy Code.

- G. SPECIAL UNSECURED CREDITORS.** The special unsecured claims listed below are an exception pursuant to 11 U.S.C. § 1322(b)(1) and may include, but are not limited to, non-sufficient funds (NSF) checks, continuing professional services and non-dischargeable debts (*e.g.*, student loans, criminal fines).^{xii} These special unsecured claims shall be paid as follows:

In a 36 month ACP case with the base to general unsecured creditors paid within 36 months, the special unsecured creditors will be paid pro rata with other general unsecured claims during the first 36 months and then that portion of the special unsecured creditor's claim that can be paid during the remainder of the 60 months from the date the first Plan payment is due will be paid exclusive of all other general unsecured claims during the remaining 60 months.

In a 36 month ACP case with the base to general unsecured creditors paid beyond 36 months, the special class unsecured creditors will be paid pro rata with other general unsecured claims during the first 36 months and until the specific fixed base amount to the general unsecured creditors is satisfied and then that portion of the special unsecured creditor's claim that can be paid during the remainder of the 60 months from the date the first Plan payment is due will be paid exclusive of all other general unsecured claims during the remaining 60 months.

In a 60 month ACP case, special unsecured creditors will be paid pro rata with the general unsecured creditors during the 60 months.

IV. GENERAL PROVISIONS

- A. DISPOSABLE INCOME, TAX RETURNS & TAX REFUNDS.** Debtor(s) submit(s) all or such portion of future earnings or other future income of Debtor(s) to the supervision and control of the Trustee as is necessary for the execution of the Plan. Unless this Plan provides for a dividend of 100% to all allowed general unsecured claims, the Debtor(s) shall pay all disposable income as defined in 11 U.S.C. § 1325(b) during the ACP. Unless otherwise provided in this Plan, Debtor(s) shall remit to the Trustee tax returns and tax refunds and other disposable income for the ACP for administration pursuant to the Plan or as otherwise ordered by the Court. Income tax refunds and other disposable income paid to the Trustee in a Plan with a 36 month ACP will operate to decrease the term of the Plan to the ACP but not below the 36 month ACP, rather than increase the dividend paid to general unsecured creditors. The Debtor(s) shall continue the same level of tax deductions as when the case was filed except as affected by changes in dependents and/or marital status.

Based on the disposable income available, the Trustee shall have the discretion without further notice to creditors to:

1. Increase the percentage to the unsecured creditors as a result of additional payments made under this provision subject to the limitation set forth in this paragraph;
2. Reduce the term of the Plan but not below the ACP; and
3. Determine if available funds are not disposable income when the Debtor(s) provide(s) the Trustee with supporting documentation.

- B. VESTING OF ESTATE PROPERTY.** Upon confirmation of the Plan, all property of the estate shall remain property of the estate until discharge unless marked below:

(X) Pursuant to 11 U.S.C. § 1327(b) upon confirmation of the Plan, all property of the estate shall vest in the Debtor(s), except (i) future earnings of the Debtor(s); (ii) additional disposable income, and (iii) other real and personal property necessary to fund the Plan which is identified as follows:

Regardless of whether any real or personal property is vested in the Debtor(s) or the estate, insurance proceeds derived from such real or personal property shall be deemed property of the estate. Subject to footnotes vii and viii of paragraph III.C.2, such insurance proceeds may be used by the Debtor(s), upon prior Court approval, to purchase replacement collateral.

In any case, all property of which Debtor(s) retain(s) possession and control shall be insured by the Debtor(s). The Trustee is not required to insure property and has no liability for damage or loss to any property in the possession and control of the Debtor(s).

^{xii} If the table below is blank, or this case has a 60 month ACP, then there will be no special treatment for special unsecured creditors.

C. POST-PETITION ACTION BY DEBTOR(S).

1. **Post-Petition Sale of Property of Estate:** In the event that the Debtor(s) seek(s) to sell, before entry of the discharge, property of the estate constituting personal property with a value in excess of \$2,500, or any real property regardless of value, the Debtor(s) shall request prior Court approval pursuant to 11 U.S.C. § 363 and any applicable rules.
2. **Post-Petition Sale of Property of Debtor(s):** In the event that the Debtor(s) seek(s) to sell, before entry of the discharge, personal property of the Debtor(s) with a value in excess of \$2,500, or any real property regardless of value, the Debtor(s) shall seek prior Court approval with notice to any parties in interest as the Court may direct.
3. **Post-Petition Incurrence of Debt by Debtor(s) and Related Relief:** Upon the prior written approval of the Trustee, the Debtor(s) may incur post-petition debt for a motor vehicle, whether through financing or lease transaction. The Debtor(s) may trade in an existing motor vehicle provided that the Debtor(s) satisfy in full any obligations related to such motor vehicle. The Debtor(s) may incur other, similar post-petition debt as allowed by the Court.

D. UNSCHEDULED CREDITORS FILING CLAIMS. If a creditor's claim is not listed in the schedules, but the creditor files a proof of claim, the Trustee is authorized to classify the claim into one of the classes under this Plan and to pay the claim within the class, unless the claim is disallowed.**E. LATE FILED CLAIMS.** If a claim is not timely filed, the Trustee may in his/her discretion provide notice of intent to pay the claim.**F. LIMITATION ON NOTICES.**

1. **General:** If the Debtor(s) file(s) a plan modification pursuant to 11 U.S.C. § 1329 or a motion requesting relief, the plan modification or motion, and appropriate notice thereof, shall be served on (a) the Trustee, (b) the United States Trustee, and (c) any party or entity adversely affected by the plan modification or request for relief. If service under (c) requires service on the creditor matrix, subsequent to the claims bar date pursuant to Fed. R. Bankr. P. 3002, service may be made on creditors that hold claims for which proofs of claim have been filed, and any governmental unit that is a creditor in the case.
2. **Fee Applications:** Subsequent to the claims bar date pursuant to Fed. R. Bankr. P. 3002, if an attorney for the Debtor(s) files an application for compensation pursuant to 11 U.S.C. § 330, the application, including appropriate notice and an opportunity to object, shall be served on (a) the Trustee, (b) the Debtor(s), and (c) the United States Trustee. Appropriate notice of the application, including an opportunity to object in the same form as attached to the Local Bankruptcy Rules, shall be served on (a) creditors that hold claims for which proofs of claim have been filed, and (b) any governmental unit that is a creditor in the case.

If service is made pursuant to this paragraph, the Debtor(s) shall file a certificate of service specifying parties and entities served.

G. CLAIMS AND AMENDED CLAIMS. If a proof of claim is filed and Trustee has previously made a distribution to general unsecured creditors, the claim shall be entitled to the same pro rata distribution as that previously paid to general unsecured claims, to the extent possible, even if the base to general unsecured claims exceeds the amount stated in the confirmed Plan. The Trustee shall not be required to recover any overpayments to general unsecured creditors as a result of the filing of the aforementioned claims.

1. With respect to secured claims filed by creditors holding liens in real property surrendered pursuant to the Plan, each such secured creditor must file a proof of claim asserting its unsecured deficiency, if any, by no later than 90 days after any disposition, including a foreclosure sale. The proof of claim for any deficiency must be conspicuously identified as an "UNSECURED DEFICIENCY CLAIM." Attached to the proof of claim for the deficiency amount must be a detailed statement providing that the property was disposed of, the amount of the sale proceeds, a summary of costs incurred in connection with the disposition, and the unsecured deficiency balance remaining. This proof of claim must be filed even though a previous secured or unsecured claim was asserted prior to the disposition of the property. The failure to timely file a deficiency claim shall preclude the secured creditor from receiving further distributions under the Plan and such secured creditor's claim shall be subject to discharge.
2. With respect to secured claims filed by creditors holding liens in personal property surrendered pursuant to the Plan and non-debtor counterparties whose executory contracts or unexpired leases are rejected under the Plan, each such secured creditor or non-debtor counterparty must file a claim asserting its unsecured deficiency or rejection damages, if any, by no later than 180 days after entry of the order confirming the Plan. The proof of claim for any deficiency or rejection damages must be conspicuously identified on the proof of claim as an "UNSECURED DEFICIENCY CLAIM" or a "REJECTION DAMAGES CLAIM," as applicable. Attached to the proof of claim for the deficiency or rejection damages must be a detailed statement providing, if applicable, the date the property was disposed of, the rejection damages, the amount of any sale proceeds, a summary of costs incurred in connection therewith, and the unsecured deficiency balance remaining. This proof of claim must be filed even though a previous secured or unsecured claim was asserted prior to the surrender, rejection, or disposition of the property or rejection of the executory contract or unexpired lease. The failure to timely file a deficiency

or rejection damages claim means that such creditor or non-debtor counterparty shall be precluded from receiving further distributions under the Plan and such claim shall be subject to discharge.

3. A claimant treated as holding a wholly unsecured claim pursuant to paragraph III.C.1.f shall file a proof of claim within the time prescribed in Fed. R. Bankr. P. 3002(c), and any such claimant who does not file a proof of claim is not entitled to receive a distribution under the Plan. If such claimant files a secured proof of claim, the Trustee is authorized to treat such claimant as holding an unsecured claim.

H. TRUSTEE POST-CONFIRMATION DISBURSEMENT.

1. **Priority of Payments:** Unless otherwise specifically stated in the Plan, the following categories of claims will be paid in the following order (on a pro-rata basis within each category):

- b. trustee administrative fee;
- c. allowed DSO claims paid through the Plan;

- g. arrears on continuing claims and other secured claims for which the Plan does not specify equal monthly payments;
- h. allowed priority unsecured claims; and
- i. allowed general unsecured claims.

2. **Post-Petition Mortgage Payments:** If the Plan directs the Trustee to make any post-petition mortgage payment, the Trustee may:

- a. modify the on-going mortgage payment upon receiving a notice pursuant to Fed. R. Bankr. P. 3002.1(b);
- b. increase the Plan payment by the amount of any mortgage payment increase plus additional trustee commission for any mortgage increase;
- c. amend a wage order or ACH payment amount for such increase with notice to the employer or ACH payor, Debtor(s) and the attorney for the Debtor(s); and
- d. adjust the post-petition mortgage or land contract payment date, or the date through which any arrears or cure is calculated, as needed to conform to any proof of claim filed by the mortgagee or land contract vendor.

3. **Initial Disbursement Date:** Except as otherwise stated in this Plan, a payment designated as equal monthly payments on secured claims, executory contracts/unexpired leases, priority unsecured claims, attorney fees, and tax escrow accruals shall be deemed to commence the first day of the month following the month of the petition date.

- I. **TAX RETURNS.** All tax returns due prior to the petition date have been filed, except: _____.

J. DEBTOR(S) ENGAGED IN BUSINESS.

1. Any Debtor who is self-employed and incurs trade credit in the production of income shall comply with 11 U.S.C. § 1304 regarding operation of the business and any order regarding the continuation of a business operation entered in this case;
2. Any Debtor who, directly or indirectly, holds a controlling interest in a limited liability company, partnership or other corporation that incurs trade credit in the production of income, or who is otherwise in control of such an entity, shall cause the entity to comply with 11 U.S.C. 1304(c) and any order regarding continuation of a business operation entered in this case as if the Debtor were "engaged in business" within the meaning of that section;

^{xiii} Claims in this category include non-modifiable claims, including allowed secured claims, on which the last payment is due after the term of the Plan, and for which the Plan provides for a set monthly payment (subject to adjustment as set forth below). This category includes residential mortgage obligations, land contract obligations, and other long term, non-modifiable obligations under assumed executory contracts/unexpired leases.

3. The duties listed in 11 U.S.C. § 1304(c) are imposed on any Debtor described in this Paragraph IV.J, and are incorporated herein by reference.

- K. **EFFECT OF ADDITIONAL ATTORNEY FEES BEYOND THE NO LOOK FEE.** Any attorney fees and expenses beyond the no-look fee shall be paid as administrative expenses and shall not be paid out of the base previously disbursed to general unsecured creditors. The Trustee shall not recover funds disbursed to general unsecured creditors to satisfy any administrative expenses awarded to the attorney for the Debtor(s).
- L. **PLAN REFUNDS.** The Trustee may agree to reasonable refunds to the Debtor(s) from the funds paid to the Trustee. The Plan duration may be extended to repay all such refunds. The trustee may require the Debtor(s) to file an amendment to the Plan.
- M. **TRUSTEE'S AVOIDANCE POWERS.** The Debtor(s) acknowledges that the Trustee has discretion to utilize certain powers under Chapter 5 of the Bankruptcy Code. Notwithstanding any other language in this Plan, no lien shall be involuntarily avoided unless an adversary proceeding is filed, except that judicial liens may be avoided pursuant to 11 U.S.C. § 522(f) in connection with confirmation of the Plan upon proper notice. The Debtor(s) may not commence any avoidance action without court authorization or written consent of the Trustee. The Debtor(s) acknowledge(s) that any avoidance actions are preserved for the benefit of the estate pursuant to 11 U.S.C. § 551.
- N. **LIEN RETENTION.** With respect to each allowed secured claim provided for by the Plan, the holder of such claims shall retain the lien securing such claim until the earlier of (i) the underlying debt determined under applicable non-bankruptcy law is paid in full, or (ii) entry of the discharge; provided, however, that entry of the discharge shall not release a lien that secures a claim subject to treatment under 11 U.S.C. § 1322(a)(5). Upon the occurrence of (i) or (ii) above, the holder shall release its lien and provide written evidence of the same to the Debtor(s) within 30 days after (i) or (ii) above. Notwithstanding the foregoing, if this case of the Debtor(s) under Chapter 13 is dismissed or converted without completion of the Plan, the holder of such claim shall retain its lien to the extent recognized by applicable non-bankruptcy law.
- O. **MODIFICATION OF THE AUTOMATIC STAY.** Upon the filing of a motion for relief from the automatic stay, the Trustee shall suspend disbursement of funds to that creditor but shall hold said funds until further order of the Court. Upon entry of an order modifying the automatic stay and unless otherwise provided for in such order, the Trustee shall not disburse held or on-going payments to that creditor on that claim, until creditor files an amended claim or Debtor(s) file(s) an amended Plan directing the Trustee how to pay creditor's claim. Such amended proof of claim or Plan amendment shall be filed within 120 days after entry of the order modifying the automatic stay. An amended claim filed by such creditor shall be afforded the same secured status as provided for under the Plan. If a creditor fails to file an amended claim or Debtor(s) fail(s) to file an amended Plan directing the Trustee how to pay creditor's claim within 120 days of the entry of the order modifying the automatic stay, any held amounts shall be released for the benefit of the other creditors in accordance with the confirmed Plan and Trustee shall cease holding any future funds for on-going payments on such claim unless otherwise ordered by the Court. However, if a creditor files a claim after the order modifying the automatic stay and the confirmed Plan directed that such creditor was to be paid directly by Debtor(s) on such claim, such claim will not be paid by the Trustee.
- P. **NOTICE OF FEES, EXPENSES AND CHARGES PURSUANT TO FED. R. BANKR. P. 3002.1.** The claim evidenced by notice of fees, expenses and charges pursuant to Fed. R. Bankr. P. 3002.1 will be treated as a separate debt or claim consistent with treatment of the underlying claim provided for under the Plan.
- Q. **NON-APPLICABILITY OF FED. R. BANKR. P. 3002.1.** The requirements and provisions of Fed. R. Bankr. P. 3002.1 shall not apply to the Trustee in any chapter 13 case where the Plan as confirmed surrenders property to the creditor as provided in 11 U.S.C. § 1325(a)(5)(C) or proposes that Debtor(s) pay the creditor directly or to any claim as to which the automatic stay is modified for purposes of allowing the secured creditor to exercise its rights and remedies pursuant to applicable non-bankruptcy law.
